In case of an emergency, whom should we contact and at what number?

Any physical problems or injuries?

Anything else we should be made aware of?

Participation in tumbling and gymnastics activities involves motion, rotation, and height in a unique environment, and as such, carries with it a reasonable assumption of risk.

WARNING: Catastrophic injury, paralysis, or even death can result from improper conduct of the activity.

It is with the above warning in mind that we follow certain skill progression techniques in order to foster the safest learning environment possible to reduce the possibility of injury to all whom we love so dearly.

By signing this document, you are acknowledging the above stated risks and understand the nature of the activity in which you and/or your child are involved.

Signature(of parent or guardian if under 18)
